## Community-based Participatory Research

*Catherine Jordan & Susan Gust*

PubH 7244 Section 101 Class #88390

May 22, 23, 24 (1 pm -5 pm)

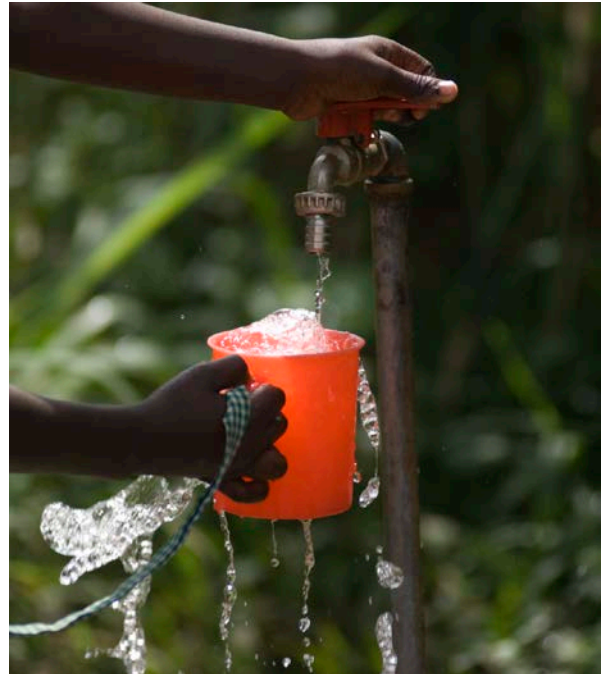

May 26 (1 pm-4 pm)

1 credit or 15 CE contact hours

This is an introductory course about community-based participatory research (CBPR) intended for graduate students and community practitioners interested in adding CBPR to their repertoire of effective approaches to understanding and addressing social and health disparities. We will explore topics such as the purpose and applications of CBPR; partnership formation and maintenance; issues of power, trust, race, class, and social justice; conflict resolution; ethical issues; CBPR's relationship to cultural knowledge systems.

*The University of Minnesota [Summer Public Health Institute](#) offers courses for everyone practicing or studying public health and its related fields. The Institute provides a space where innovation happens, allowing faculty and experts to create short courses that respond to current advances in their field.*

## REGISTRATION

**April 11:** Registration begins for currently admitted University of Minnesota students

**April 18:** Registration begins for non-admitted students
